Thread: [Making Signatures For First 5 Members To Post](#)

Sahaj - February 3, 2016, 12:53 am

I'm just getting bored, so thought why not make signatures for HF?

Give me the details/Colors/Pictures you want in your signature. Will make something like the following or better for you:

This is just something that I made in a minute, so don't worry, the signature that I'll do for you will be mint.

I will close the thread after 5 replies and PM you the signatures. ?
