Thread: [Need A Header For Developer Forums](#)

Natalie Dormerr - February 3, 2016, 3:55 pm

To make this short I need a header for my forum developerforums.net if you create one pm me thanks

Motusora - February 4, 2016, 4:01 am

?

Could you do a couple more? This looks really great but I might design a light theme

ObeyHacking - February 4, 2016, 7:17 pm

Shoot me a PM ?

- I can do this

Saint - February 4, 2016, 7:19 pm

PM me the link of your forum, i might make something simple, not sure yet.

Grab a better forums theme then by all means I'll look into it, otherwise theirs no real use of doing anything for it as they'll more or less look all out of place.
