Link us your inventory so we can inspect, or post screenshots OP. Also, what condition are the knives in?

I can middleman any deals if need be.

67% for ST knives? Seems a little overpriced imo. I can offer you 60% BTC.

No thanks they sell easily for 67-70 on opskins i don't need to quicksell for no reason. they're not safari mesh or urban mask, they're doppler and fade xD

PurpleIsAColor - February 5, 2016, 6:03 am

They aren't overpriced, it's a fair price for the skins. 70%+ is overpriced.
