Thread: [Design Platform - User Profile](#)

if-ea - February 5, 2016, 1:01 am

See it on Behance, please:

For the lazy : Spoiler ([Click to View](#))

Looks pretty clean OP , it just makes me feel like I'm about to play a video game or something of those sorts . Has a very playful feeling to it , just looking at the icons in general ... almost like a character select. ?

Varane - February 5, 2016, 2:30 pm

I like how it is extremely clean.

Banzaitron - February 6, 2016, 3:40 am

Kind of reminds me of Skype

Brandify - February 6, 2016, 3:48 pm

It does look like Skype.

I think it looks good! :)
