Thread: [Spring Anime Chart is Here!](#)

Gladly - February 5, 2016, 5:53 pm

Whether it be shows either continuing their previous seasons, or completely new shows still running through the season of snowstorms, Winter is coming closer and closer to a halt. With that, comes...

? Spring 2016 ?

As of now, Spring season looks like it will bring along a number of originals, multiple second and third seasons, and lots of slice of life.

First impressions:

Joker Game looks pretty interesting, let's see what Production I.G. can do with this. Heard a bit about God Eater, wasn't aware that ufotable is directing it, looks neat. Sailor Moon Crystal is getting a continuation? *sigh*. Yugioh, Detective Conan and Shin Chan are getting movie adaptations in 2016? WHAT YEAR IS THIS? Onigiri also looks like an interesting premise.

[Chart will be updated when significant releases occur]

Powerbladekiller - February 5, 2016, 5:58 pm

Looking forward to God eater and shingeki no bahamut. ?

Peanut Butter - February 5, 2016, 6:30 pm

Gonna watch the specials for Ajin, Charlotte, Dimension, Grimgar, Noragami and OPM as well as the Hibike! Euphonium movie. I'm not too sure what to watch series-wise so I'm just gonna wait for other people to watch them and tell me about the good ones. ?

Yellowdock - February 5, 2016, 6:44 pm

Bonobono finally got an anime adaptation, strange timing eh?

tumidmanatee11 - February 5, 2016, 7:34 pm

Koutetsujou no Kanaberi sounds interesting, but sounds alot like AoT imo

Duyere - February 5, 2016, 8:59 pm

Man 2016 is too fucking awesome. So many great anime and I don't know what to do with myself. I'm being overloaded greatness right now.

RainbowHentAi - February 5, 2016, 10:59 pm

Gakusen Toshi Asterisk season 2, yay

neightworks - February 6, 2016, 12:07 am

I don't think it will top this season but I'm chubbed enough to play with.

?????? - February 6, 2016, 2:12 am

Gakusen Toshi Asterisk and Shingeki no Bahamut. Nothing else has my attention, but that'll probably change closer to the start of next season. I'm surprised the chart is up so early.

Ang?I - February 6, 2016, 8:39 am

You niggas are crazy, it's all about Bungou Stray Dogs.

Stashyy - February 6, 2016, 8:40 am

Well I am hype for spring.

Devixx - February 6, 2016, 9:03 am

Wow, so much. They all look pretty interesting I can't even single one out

Aura - February 6, 2016, 9:06 am

Jesus Christ, so many fantasy, magical, supernatural, special schools Anime. Spring 2016 will have an awesome season, I can't wait!

RainbowHentAi - February 6, 2016, 9:08 am

Is it me or does it seem like this year is gonna be a good year for anime

Other than Boku Dake, it seems like it's going to be extremely average. Not that I'm not enjoying the shows so far, but they certainly could be better.

They will most likely be shit like they have been for the past few seasons. :(

Peanut Butter - February 6, 2016, 9:34 pm

Looked through everything again, definitely gonna give Big Order, Boku no Hero, Endride, flying witch, Stray Dogs and Mayoiga a shot. Also Kuma Miko because I need something silly every season.

Meechy Darko - February 6, 2016, 10:34 pm

The only two that I really got hype for was Jojo Part 4, and Hundred.

Sakamoto desu ga sounds interesting too, though.

shinyhunterr - February 7, 2016, 12:38 am

God eater looks so good lol cant wait to see it :)

Aura - February 7, 2016, 12:40 pm

Nah some of them were actually really good. I just wish they would have a Season 2 as well ?

Disparity - February 7, 2016, 11:10 pm

So much Supernatural/Fantasy anime this spring. Especially excited for Kabaneri though, but definitely gonna watch Flying Witch, Tanaka-Kun, and Wagamama as well.

Yuikoro - February 8, 2016, 2:49 am

Is it just me that can't see anything interesting in the list? Guess I'll just wait out and see them as they're being recommended around.

I will be watching around 80% of it so I believe it's just you.

NKVD - February 8, 2016, 3:37 am

Fantasy and Supernatural. Nothing in particular sparked my interest from these synopsis.

deanZor - February 8, 2016, 6:38 am

Measurement w cool anime and robots there and martial arts)

Gladly - March 1, 2016, 9:12 pm

V2 has been released, updated chart link to reflect changes! More shows have been added!

Thanks for the heads-up. I'm still pretty hyped. Most of these are coming this month/next month.

Gladly - March 31, 2016, 5:27 pm

A day or two late, but updated to V3.

New season of JoJo's has been set to air for Spring!

New season of the beloved Powerpuff Girls has been announced! It's on here because it will air in Japan as well with the Japanese dub I'm guessing (???)

DerMensch24 - March 31, 2016, 9:26 pm

Joker Game looks like it will be interesting, I am also looking to see Terra Formars: Revenge since I just finished the original one a week or so ago.

I also didn't realize they still made Yu-Gi-Oh movies/anime using the original characters haha, I rememeber the original series and I saw some of GX back when I used to play a lot.

NoBarsHandler - April 1, 2016, 2:46 am

Thanks! Without this, i wouldn't have known about God eater continuation.

skelly76 - February 26, 2017, 3:08 pm

Man I can't wait for these they are lit. Who else is excited!

I mean c'mon it was a funny joke. How many people do you think will do a double take.

Too bad Gladly sprayed the damn year all over the thread or else this would be more believable.

The quality of this sub-forum is already shit, doesn't need help going down more.
