It has potential, with a good amount of work you can pull off good earnings.

Will be trying it out during this month

(Feb 7, 2016 10:25 AM)LeGodJames Wrote: [\[CITE\]](#) Just spoke to OP on Skype for a little. This method seems very promising. As previously mentioned by another user, a little bit of time put into this could make you some good money. I will be looking into and trying this in the near future.

Hopefully will be posting some earning eventually too.
