A cool new game Pixel Robot Jump Saga

????? Introducing Pixel Robot Jump Saga ?????

Description:

Are you ready to begin your vertical jumping adventure games through the robot world? Jump for joy and leap your way to the top of the league. Are you curious how your reflexes are? Ultimately, it tests your reflexes against time and movement. It is one of the addicting pixel games.

The cute little pixel robot needs to jump out and in the circle to collect points. Playing is as easy as tapping the screen to jump. Don't hit the circle; this is the play rule in this fun game. Play and gain the best score in global ranking. Share your highest scores with your friends and worldwide players. So the competition never ends. The thrilling action of pixel robot jump saga will keep you playing until the very end!

Are you ready to begin your race? The features await you:

- Pixels and retro backgrounds;
- Exciting cute colourful robots;
- Collect points;
- New fun exciting levels;
- Simple touch control;
- Tablet optimized;
- Stunning graphics, colourful visual cartoon and smooth animation;
- Enchanting orchestra and relaxing retro vintage music;
- Social network sharing;
- Stay tuned for updates; and
- Global leaderboard contests and gameplay.

Requires: Android 2.3.3 and up

I recommend you to download this free and awesome game

Enjoy!!
