[L33T/UB3R ONLY]

Hey HF, since i started exploiting webdavs i thought i'd give away some websites.

- Proof: <http://58.26.135.211/webdav/proof.html>

- Upload Page proof: <http://58.26.135.211/webdav/up.php>

(Login: wampp:xampp < username:password)

Giving away 40 websites, so 5 for each person.

First 8 people will receive them.

You can do anything with them, deface, host anything its your choice.
