Thread: [Flat Devices Design | PhotoShop | PSD File | Download](#)

Razor Dz Trigger - February 8, 2016, 8:25 am

Hello HackForums,

Today I like to share this PSD Flat Design of devices for HackForums Members :) You Can Edit It or adding text etc...

Download PSD File :

[Click For Download PSD File](#)

Flat Design Devices :

Thanks For All ??????

Did you make these yourself from scratch?

Also, this should be in the Graphics Resources section. :)

nined3z - February 8, 2016, 7:43 pm

very clean! this is minimalistic flat design porn ;)

MrKazama - February 8, 2016, 11:15 pm

Nice stuff. Will surely use them for some work
