Balding - February 8, 2016, 8:44 pm

NO VOUCH COPIES WILL BE GIVEN OUT. I'LL BE SELLING 3/4 COPIES OF THIS. \$400 EACH BTC ONLY NO EXCEPTION.

(Feb 13, 2016 09:41 PM)Rissy Wrote: [\[CITE\]](#) Vouch for Balding. Honestly one of the most reputable users I know, and makes me wet when I see him cashing \$10k+ every few days....

Alternative payment option: You could pay a down payment of \$250 and the rest after your first \$150 earned.

Payment proof from TODAY

Some proof of payment.

More proof because who doesn't love proof!?!

- The limit for circle is \$3,000 per week soooo yeah. Fuck w me.

This method is COMPLETELY different than [this one here](#).

This is not

CPA

Selling on eBay

Refunding Amazon

Gambling

Stealing

You will be given the method and support when needed all for \$400 BTC. Pm me if you have questions or you're interested. I will not pm you first.

I promise you will make your money back asap. I honestly don't really want to sell this method but I thought why not help others.

You could see yourself making over \$2k a week easily.

From any age?

Investment needed?

Is this buying BTC cheap from Circle and selling it expensive on LBTC or other sites?

\$400 isn't alot if you make around \$571 per day.

Nobody would reveal their methods if they earn that much per day.

This is not to trash your thread, I'm asking this question to everyone selling "money making methods" with a price tag they could've earned back within a few hours/days
