Just let me know if you'd like the method. ?

Minimum payout = \$5.00 PayPal which takes me 6-8 hours to get.

Viagra - February 9, 2016, 2:08 pm

Thank you for sharing. Can you leave this running in the background? How long does it take to get \$5.00?

Update: file was instantly deleted by anti-virus. This is also suspicious because there is no proof. Take caution while downloading

Have yet to run in sandbox

For some reason it said I made \$2.75 but the site however says I only made \$0.55, also there are no more ads to browse so i'm unsure how to make more to reach he \$5 goal.
