Literally 2 seconds into the song, I knew it was awful. Sometimes I feel like these songs must be made as a joke, but I know they're not... The world makes me sad.

BTC BTC BTC - February 9, 2016, 8:01 pm

Ears @bleeding. Such a shit song

Brendan - February 9, 2016, 8:04 pm

What does "slept on" even mean?

Literal - February 9, 2016, 8:23 pm

Yeah this songs pretty dope.

If you like this type of music, I recommend peeping LIL UZI VERT

He's pretty good also

Frappe - February 10, 2016, 3:47 pm

Good music is good music. It's not being slept on just the majority of the people that have heard it think that it sucks, as do I.
