Thread: [L33T and 3pic upgrade requirements?](#)

Six Double 0 - February 11, 2016, 4:58 pm

Just posting to see if there are any upgrade requirements for these 2 membership upgrades. I've read on the upgrade page and the [Help Docs](#) to see if there are any requirements and I have yet to find any, I know there's an application page for ub3r upgrade but I'm not L33T yet. Does anybody know if there's a requirement for upgrading to L33T and 3pic?

Requirement to pay, And not to chargeback.

Otherwise read here: We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

You can just upgrade to l33t whenever you feel like it and have the money. You must have been a member for quite some time and have high quality posts to be an ub3r.

No, purchase it straight up, don't be a kid and chargeback. Best of luck upgrading.

L33t: No requirements. All you need is \$18 BTC (or PayPal, if you've been here long enough and are in a PP-supported country) and valid CoinPayments information.

Ub3r: Have L33t and apply here: <https://hackforums.net/ub3rapply.php>

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
