(Feb 12, 2016 10:30 AM)iSystem Wrote: [\[CITE\]](#) iSystem's Review

To begin with, I'd like to recognise that this review is 100% honest and I am not affiliated with the seller. Additionally, thank you OP for giving me this chance to review your wonderful eBook!

Grammar ?????? After reading the eBook, I didn't find any little silly SPAG-related mistakes which had caused me to misunderstand any of the two methods.

Ease of Use ????? Both methods found within the eBook are extremely easy to follow due to Kinguin being very in depth with every step.

Layout ?????? Kinguin's new eBook, Bitcoin Nation, had a very to-the-point and amazing layout. Pictures were included in both methods so that the reader understands exactly where to go and what to do.

Originality ?????? I have personally never seen any of the two methods despite the fact that I have read a lot of money making eBooks. This is a plus as they are both original.

Overall ????? To conclude my review, I was very surprised after a read of the eBook because I thought I was going to read an eBook where the real money being made is the seller by selling copies of it. But no, I was wrong. The eBook has so much potential; such great methods that are guaranteed to make you lots of money in the Bitcoin currency. OP's SPAG is great meaning you won't need to pause after each sentence due to silly little mistakes. Both methods obviously requires the work but they are both very simple to follow due to Kinguin going in depth on each step. Photos are included throughout the whole eBook which leads to you knowing exactly what to do and where to go. Both methods I have never seen in my life. I seriously recommend this eBook as I can definitely rate it one of the top 3 eBooks I have reviewed. You would be able to make back the money that you invested when buying the eBook back in no time. So get your copy while you can! ? This is a very shocking and outstanding eBook, Kinguin, and I wish you the complete best of luck with the sales!

Title: Bitcoin Nation

Price: \$34.99

Pages: 6

Author: Kinguin

Reviewer: The Dark hacker

Average Rating: 8 / 10

=====

Quality

The method explained in the ebook is fully working. It isn't a hard method and you can easily get your money back. It requires simple work.

Ease of Use

The ebook is extremely easy to use as well as the method. It isn't anything that will give you a headache until you set it up. The author has provided the pictures that explain the method even better.

Layout

It has simple white background, Nice number of pictures are included in the ebook that explain this method if something is unclear.

Grammar

The ebook is fully readable, It hasn't any grammar mistake.

Originality

The method is unsaturated, I have never seen this type of method which will make you rich.

Note: This ebook worth more than actual price, avail the opportunity. You won't regret it.

Thanks.

(Feb 12, 2016 01:08 PM)Prime Wrote: [\[CITE\]](#) I also received a vouch copy from OP and from the first look the method itself will get you BTC which you can try over many times and you'll generate BTC on autopilot. The method is really easy to perform, you don't need any knowledge to perform this to get BTC into your wallet. This isn't a method that I've never seen before, but it is one that will work which is the most important fact because OP provides all the information you need to earn money. You won't make thousands in no time, but you will get what you paid for. Better pay 20\$ for a method that works and will generate money for you instead of one of those 500\$ a day ebooks.

The method is simple and well explained. If you already got marketing experience, you'll even generate more when you put your own twist to it.

Frequently Asked Questions

Question: How Much Money Can I Make?

Answer: By using both of the methods as a beginner, you can see earnings anywhere from \$300-\$900 a week. Variables will fluctuate and it could be more some weeks and could be less. But it is very consistent.

Question: I don't live in the United States, Can I Do This Method?

Answer: Yes! This method works anywhere in the world with internet access. So if you can read this, you can do this!

Question: Is this a fully legal/whitehat method?

Answer: Yes, this method is 100% legal/whitehat. It's not unethical in any ways.

Question: After setting up the method, how long until I start earning?

The most of my costumers has started earning within the first 24-48 hours. I've also seen people that's started to earn within a few hours.

Question: Does this include any kind of gambling/betting?

Answer: No, this doesn't involve any kind of gambling/betting.

Question: Does this include E-Whoring?

Answer: No, this doesn't include anything that's even close to E-Whoring.

Question: Does any of the methods need a investment?

Answer: There's two methods, where I've added in both one that will need a small investment, from \$0.1 - \$5, and also one method that doesn't require any kind of investments.

FiftyTwo - February 13, 2016, 12:39 pm

(P.S: I could've chosen to have a whole lot more but I started small to see if it would work.)

Within a very short time, I received this on autopilot using the first method.

Kinguin was very supportive and helpful when I was struggling with parts of the method.

Kinguin - February 13, 2016, 12:42 pm

50% off ends in a couple of days!

FiftyTwo - February 14, 2016, 1:57 pm

Just thought I'd come back to update again.

OP gave me some wonderful advice recently which I've taken into account and it seems to be slowly working! Seriously guys, this is one of the few eBooks I've reviewed that actually works here on HF. If you are looking to make money in BTC and you're willing to put in some effort for the setup, you'll be earning on autopilot in no time! ?

Good luck to all buyers!

Kinguin - February 14, 2016, 3:09 pm

Raphant - March 8, 2016, 2:28 pm

I don't understand why people don't include any type of reference point.. Everyone says "I made x in a 'short' amount of time" What does short mean?? Short is relative!

Kinguin, I'm interested but I want to know how much money I can I make in a day? In a week? What is the scalability of it? Your title says \$2k a month and yet your proof only shows pitiful gains(\$4.12 three days in a row??).

This looks like false advertising. Please prove me wrong...

=====

Title: Bitcoin Nation

Price: \$34.99

Pages: 6

Author: Kinguin

Reviewer: The Dark hacker

Average Rating: 8 / 10

=====

Quality

The method explained in the ebook is fully working. It isn't a hard method and you can easily get your money back. It requires simple work.

Ease of Use

The ebook is extremely easy to use as well as the method. It isn't anything that will give you a headache until you set it up. The author has provided the pictures that explain the method even better.

Layout

It has simple white background, Nice number of pictures are included in the ebook that explain this method if something is unclear.

Grammar

The ebook is fully readable, It hasn't any grammar mistake.

Originality

The method is unsaturated, I have never seen this type of method which will make you rich.

Note: This ebook worth more than actual price, avail the opportunity. You won't regret it.

Thanks.

(Feb 12, 2016 09:31 AM)Frenzied Wrote: [\[CITE\]](#) Vouch, just had a look and it looks fucking promising. Thanks

(Feb 12, 2016 10:30 AM)52?? Wrote: [\[CITE\]](#) iSystem's Review

To begin with, I'd like to recognise that this review is 100% honest and I am not affiliated with the seller. Additionally, thank you OP for giving me this chance to review your wonderful eBook!

Grammar ?????? After reading the eBook, I didn't find any little silly SPAG-related mistakes which had caused me to misunderstand any of the two methods.

Ease of Use ????? Both methods found within the eBook are extremely easy to follow due to Kinguin being very in depth with every step.

Layout ?????? Kinguin's new eBook, Bitcoin Nation, had a very to-the-point and amazing layout. Pictures were included in both methods so that the reader understands exactly where to go and what to do.

Originality ?????? I have personally never seen any of the two methods despite the fact that I have read a lot of money making eBooks. This is a plus as they are both original.

Overall ???? To conclude my review, I was very surprised after a read of the eBook because I thought I was going to read an eBook where the real money being made is the seller by selling copies of it. But no, I was wrong. The eBook has so much potential; such great methods that are guaranteed to make you lots of money in the Bitcoin currency. OP's SPAG is great meaning you won't need to pause after each sentence due to silly little mistakes. Both methods obviously requires the work but they are both very simple to follow due to Kinguin going in depth on each step. Photos are included throughout the whole eBook which leads to you knowing exactly what to do and where to go. Both methods I have never seen in my life. I seriously recommend this eBook as I can definitely rate it one of the top 3 eBooks I have reviewed. You would be able to make back the money that you invested when buying the eBook back in no time. So get your copy while you can! ? This is a very shocking and outstanding eBook, Kinguin, and I wish you the complete best of luck with the sales!

(Feb 13, 2016 01:39 PM)52?? Wrote: [\[CITE\]](#) (P.S: I could've chosen to have a whole lot more but I started small to see if it would work.)

Within a very short time, I received this on autopilot using the first method.

Kinguin was very supportive and helpful when I was struggling with parts of the method.

(Feb 12, 2016 01:08 PM)Prime Wrote: [\[CITE\]](#) I also received a vouch copy from OP and from the first look the method itself will get you BTC which you can try over many times and you'll generate BTC on autopilot. The method is really easy to perform, you don't need any knowledge to perform this to get BTC into your wallet. This isn't a method that I've never seen before, but it is one that will work which is the most important fact because OP provides all the information you need to earn money. You won't make thousands in no time, but you will get what you paid for. Better pay 20\$ for a method that works and will generate money for you instead of one of those 500\$ a day ebooks.

The method is simple and well explained. If you already got marketing experience, you'll even generate more when you put your own twist to it.

(Feb 12, 2016 06:45 PM)Elijah Mikaelson Wrote: [\[CITE\]](#) Vouch for my boy here ! Always has HQ products !

Does this require an huge Investment, or any kind of Investment at all?

Kinguin - March 8, 2017, 1:09 pm

(Mar 8, 2017 01:55 PM)Vyrez. Wrote: [\[CITE\]](#) Does this require an huge Investment, or any kind of Investment at all?

This will not require an investment, but you may choose to invest to get even better earnings. The investment would be from \$.50 - \$5. This really depends on what you'd like to do.

WhipLash1234 - March 9, 2017, 3:22 am

Hey man, im intreseted! But do I need to market anything to reach out to people? Set up website? a store? Thanks!

=====

Title: Bitcoin Nation

Price: \$34.99

Pages: 6

Author: Kinguin

Reviewer: The Dark hacker

Average Rating: 8 / 10

=====

Quality

The method explained in the ebook is fully working. It isn't a hard method and you can easily get your money back. It requires simple work.

Ease of Use

The ebook is extremely easy to use as well as the method. It isn't anything that will give you a headache until you set it up. The author has provided the pictures that explain the method even better.

Layout

It has simple white background, Nice number of pictures are included in the ebook that explain this method if something is unclear.

Grammar

The ebook is fully readable, It hasn't any grammar mistake.

Originality

The method is unsaturated, I have never seen this type of method which will make you rich.

Note: This ebook worth more than actual price, avail the opportunity. You won't regret it.

Thanks.

(Feb 12, 2016 01:08 PM)Prime Wrote: [\[CITE\]](#) I also received a vouch copy from OP and from the first look the method itself will get you BTC which you can try over many times and you'll generate BTC on autopilot. The method is really easy to perform, you don't need any knowledge to perform this to get BTC into your wallet. This isn't a method that I've never seen before, but it is one that will work which is the most important fact because OP provides all the information you need to earn money. You won't make thousands in no time, but you will get what you paid for. Better pay 20\$ for a method that works and will generate money for you instead of one of those 500\$ a day ebooks.

The method is simple and well explained. If you already got marketing experience, you'll even generate more when you put your own twist to it.

(Jan 10, 2017 01:55 PM)L4X0R Wrote: [\[CITE\]](#) I can verify that this ebook works bought it on 25-12-16 and used it for about 2 weeks already made over \$700 It's amazing!!!!

(Feb 12, 2016 09:28 AM)The Dark Hacker Wrote: [\[CITE\]](#) I am here to review Bitcoin Nation

=====

Title: Bitcoin Nation

Price: \$34.99

Pages: 6

Author: Kinguin

Reviewer: The Dark hacker

Average Rating: 8 / 10

=====

Quality

The method explained in the ebook is fully working. It isn't a hard method and you can easily get your money back. It requires simple work.

Ease of Use

The ebook is extremely easy to use as well as the method. It isn't anything that will give you a headache until you set it up. The author has provided the pictures that explain the method even better.

Layout

It has simple white background, Nice number of pictures are included in the ebook that explain this method if something is unclear.

Grammar

The ebook is fully readable, It hasn't any grammar mistake.

Originality

The method is unsaturated, I have never seen this type of method which will make you rich.

Note: This ebook worth more than actual price, avail the opportunity. You won't regret it.

Thanks.

(Feb 12, 2016 01:08 PM)Prime Wrote: [\[CITE\]](#) I also received a vouch copy from OP and from the first look the method itself will get you BTC which you can try over many times and you'll generate BTC on autopilot. The method is really easy to perform, you don't need any knowledge to perform

this to get BTC into your wallet. This isn't a method that I've never seen before, but it is one that will work which is the most important fact because OP provides all the information you need to earn money. You won't make thousands in no time, but you will get what you paid for. Better pay 20\$ for a method that works and will generate money for you instead of one of those 500\$ a day ebooks.

The method is simple and well explained. If you already got marketing experience, you'll even generate more when you put your own twist to it.

(Feb 12, 2016 06:45 PM)Elijah Mikaelson Wrote: [\[CITE\]](#) Vouch for my boy here ! Always has HQ products !

(Feb 13, 2016 04:34 AM)Frenzied Wrote: [\[CITE\]](#) Okay just wanna update on my earnings. I earned 50\$ & converted to AGC but got scammed by a impostor fml.

Well atleast it works. PM me for any screenshots.

(Feb 13, 2016 04:45 AM)FiftyTwo Wrote: [\[CITE\]](#) Like I said in my review, the method has so much potential and will definitely make you earn. Purchase this eBook today people! ?

(Feb 13, 2016 01:39 PM)FiftyTwo Wrote: [\[CITE\]](#) (P.S: I could've chosen to have a whole lot more but I started small to see if it would work.)

Within a very short time, I received this on autopilot using the first method.

Kinguin was very supportive and helpful when I was struggling with parts of the method.

(Feb 14, 2016 09:10 AM)Frenzied Wrote: [\[CITE\]](#) Dammmnn more \$ Imfao. I finally stumbled upon my true way of earning money. Just gotta keep updating you guys. I used to hate ewhoring until I found this, my fucking money stream, can't get it off my mind. Thanks Kinguin, changed my life <3

edit: Yes, I woke up with 15\$ in my btc wallet

(Feb 14, 2016 12:00 PM)PurpleIsAColor Wrote: [\[CITE\]](#) This is a really awesome eBook, didn't think I would earn that quickly!

(Feb 14, 2016 02:57 PM)FiftyTwo Wrote: [\[CITE\]](#) Just thought I'd come back to update again.

OP gave me some wonderful advice recently which I've taken into account and it seems to be slowly working! Seriously guys, this is one of the few eBooks I've reviewed that actually works here on HF. If you are looking to make money in BTC and you're willing to put in some effort for the setup, you'll be earning on autopilot in no time! ?

Good luck to all buyers!

(Feb 16, 2016 09:48 AM)Sevn Alias Wrote: [\[CITE\]](#) Vouch for this ebook! 100% legit!

(Feb 17, 2016 08:47 AM)Sevn Alias Wrote: [\[CITE\]](#) I made \$15 BTC while sleeping! The best ebook so far on HF!

(Feb 17, 2016 11:58 AM)MiLkBoNe Wrote: [\[CITE\]](#) Highly recommend this eBook! Kinguin is a very intelligent member!

(Feb 17, 2016 05:52 PM)PurpleIsAColor Wrote: [\[CITE\]](#) Earnt \$20 on this while I slept, damn, thanks.

(Feb 22, 2016 03:48 PM)Executioner101 Wrote: [\[CITE\]](#) i can vouch for op hq user !

(Feb 25, 2016 12:05 PM)FiftyTwo Wrote: [\[CITE\]](#) Don't hesitate to the purchase Kinguin's eBook - it's one of the few eBooks on the market right now that actually work!
?

(Feb 25, 2016 12:41 PM)RaimonL Wrote: [\[CITE\]](#) Bitcoin nation 5 Stars. very simple, easy to assemble and completely insaturable methods. Imagination + BTC Nation = Countless money to your bitcoin wallet. This guy knows what he does. Kinguin HF, BRAVO!

(Mar 3, 2016 01:02 PM)FiftyTwo Wrote: [\[CITE\]](#) Another update.

Just tried the method again and got \$5 last night.

(Mar 4, 2016 12:11 PM)lokiju Wrote: [\[CITE\]](#) Hi! I would gladly talk with you about this, Kinguin. I'd appreciate if you could pm me your skype or suggest another way of talking if skype bothers you. Kindly, lokiju

Talking to Kinguin right now, great support so far! ? Thank you for being so fast.

Have you ever heard about timezones?

Please remove this asap so I can avoid making a 'funny' thread about this in the loungr.

Yes, this still works as of 28.05.2017.

It's an great method, and you're able to earn good money with it.

The amount depends on good work you do when setting it up.?

moon79 - May 28, 2017, 3:47 pm

we have to resell stuff ? Buy low sell high?

alva1424 - May 29, 2017, 5:39 am

Just bought the premium version of the ebook! Pretty excited

Hey updated, the link keeps on saying that my ip address is not allowed(help)

Younis Khan - May 31, 2017, 2:02 am

Does this method involve gambling, cloud mining, or investment?

Kinguin - May 31, 2017, 4:15 am

(May 31, 2017 02:02 AM)Maaz Wrote: [\[CITE\]](#) Does this method involve gambling, cloud mining, or investment?

This doesn't involve either gambling, or cloud mining.

You can make an small investment if you'd like, but it's not necessary.

alva1424 - May 31, 2017, 4:59 pm

Hey kinguin please contact me because its been over 48 hours since Ive bought this ebook but the link is still not working.
