1. Have you helped the eWhore community?

If so how (Provide links of threads):

Yes! I have uploaded two of my own eWhore packs, one ripped from a Fetish website account and another from someone personal who keeps sending them while I desperately eWhore.

Male: <https://hackforums.net/showthread.php?tid=5206973> (Personal)

Female : <https://hackforums.net/showthread.php?tid=5207562> (Ripped)

2. How old are you?:

15.

3. How long have you been eWhoring?:

I tried it two years ago when I was in the eighth grade, and last night, they were failures.

4.How much do you make averagely PER Day?:
I only ever made \$15 that one time in eighth grade.

5. Do you prefer FREE or PAID packs?:
Well, free obviously because that's affordable for me, but sometimes free ones can be very over-saturated and obviously fake.

6. Why would you like to join this group ?:
To get and to give help with eWhoring. I can provide packs easily because I know to rip them.

7. What's your experience ? (Beginner, Intermediate, Mentor or God)
Definitely a beginner, but I've taken six years of performing courses so I am very good at acting. I just need to learn what platform to use, and how to bring them in.

8. How well do you work with others ?:
Very well. In Performing, we have to work well together to make the story believable in the same way we will try to swindle horny weirdos.

9. If you were mentor level would you mentor one of the noobies ?
Oh probably over time, but not at this stage no.

10. Do you get good traffic ?:
No, I need some help with that.

11. How often do you eWhore a week ?
Rarely ever.

This thread is scumbag's paradise. Most guys here are underage and not allowed to have their own paypal, but YES they make \$100 and over a day.

Guys where do you receive this money?!?!? Some would say AGC, but its till kinda funny, with such volume your gaypal will get limited soon, and being under 18 it will be impossible to unlock.

So most people here are so called big deal full with air!
