Thread: [Free HF Award on new forums \(ending soon\)](#)

[(5)] - February 15, 2016, 1:32 pm

Hello all--

I am soon launching a new forum that I've been working on. To launch it, we will be allowing any users whom register from HackForums before 2/20/16 the ability to get a free HackForums award on the forums.

After 2/20/16, this award will never again be given out on the forums.

All users are able to participate in this giveaway. Please PM me for the link.

Why thank you! We are still adding more as we go, as well.

Pretty soon users will be able to own their own groups.
As we're still in beta, we're going to offer startup groups for free.
