Thread: [Evil Anime themed Signature](#)

SmileyBear24 - February 15, 2016, 7:11 pm

Since i couldn't put it as my signature due to not being upgraded.

Maybe i could grab some thoughts and if you want constructive criticism.

Thank you.

I think it would work a lot better with a grunge/black theme. The white background doesn't seem to fit with the face imo

looks alright to me.

I'd scale it down, offset the focal point left, and enlarge the text a lil bit.

but those are personal preference things.
