Thread: [Tokyo Ghoul v2 Signature](#)

SmileyBear24 - February 16, 2016, 9:43 am

Couldn't sleep so thought'd i play around with Ghoul for a bit, Thoughts and constructive criticism. Thank you.

I can deduce that you are pretty new to this entire thing. If not, then you've been using a photo editing software for a long time but haven't learnt many skills. Anywho, I think this is a a strong 8/10.
