[im not aware if this method is anywhere else on the forum but i have no intent of copying them.]

?Illuminati - February 16, 2016, 8:18 pm

A lot of people know this method but thanks for the info man, some people can use this!

Keith Ape - February 16, 2016, 8:37 pm

Thanks bro! I'm currently taking AutoCAD lessons :)

nice! i'm getting into vfx in maya and 3dsmax. I never really liked art but its so fun.

Danny Khalifa - February 16, 2016, 9:54 pm

Sorry but I didn't really got it.

You can get those softwares for free instead of paying them.?

[(5)] - February 16, 2016, 9:57 pm

Thanks for this! Greatly appreciated.

you sign up with an education account, autocad lets you get the software for free.

templeak - February 18, 2016, 8:56 pm

thanks alot for this mate!! really appreciate it
