Thread: [Regulus Free & Trusted Middleman Service | Avoid Getting Scammed | \\$500k+ Deals Done!](#)

Regulus - February 17, 2016, 3:16 pm

I ONLY DO DEALS ON-SITE!
SO IF YOU GET ADDED ON SKYPE IT IS NOT ME SO WATCH OUT FOR SCAMMERS THERE.
SAME GOES TO KIK AND OTHER SOCIAL PLATFORMS - IF YOU GET SCAMMED IT'S NOT MY FAULT.

ONLY ON-SITE!

WATCH OUT FOR IMPERSONATORS ON SKYPE AND OTHER SOCIAL PLATFORMS

- Note -

I'm not Online on HF 24/7 so sometimes you'll have to be patience.
And I'll get back to you as soon as possible :)

Hello there Hackforums!

So I've got quite a few PM's asking me to be middleman for some deals.
And this is something I enjoy doing simply because I hate scammers.

So I thought, I might as well open a free Middleman service instead for this to make sure no one gets scammed no more.

- READ THIS BEFORE SENDING ME A PM -

I'm ONLY holding the BTC under the deal and nothing else.

I will ONLY middleman deals with BTC.

I will ONLY be able to hold your BTC and not PayPal.

NO PayPal deals.

This is how the deal will be done

So for an example.

User #1 wants to sell a CS:GO Knife to User #2 who's buying it.

Step 1: User #2 send me the BTC

Step 2: User #1 send the knife to user #2

Step 3: Once user #2 confirms he has received it, I will send the BTC to user #1

Deals I can Middleman:
Amazon Gift Cards
CS:GO Knives
Social Media Accounts
-
And a lot more!

(But I won't hold any accounts - I will only hold BTC)

T.O.S

READ TO CONFIRM AND AGREE BEFORE CONTACTING ME

I can choose to decline middleman any deal.

No time wasters - I don't like them.

I will not be responsible at all after the deal is done whatsoever.

If something gets turbo'd during the deal - the seller will still receive his BTC

(Strongly advice you to not swap it for a while to avoid this happening)

I will not be a part of any scam reports - simply because I only was used as a middleman and nothing else.

I cannot do that.

I would be able to do it if it was a skin for BTC or a Steam Account for BTC.

But I don't prefer holding skins or steam accounts as I don't use it very much.
So I don't know much about it.

It's been confirmed that OP is hacked. He is absolutely compromised right now. Do not deal under any circumstance until issue is resolved.

Gilbo - September 10, 2016, 5:38 am

Do NOT deal with Regulus under ANY circumstances right now, as both his HF and Skype is compromised.

I have talked to Regulus over Snapchat, where he told me his Skype is compromised as well.

Lrrr - September 12, 2016, 10:34 am

I am currently talking to Regulus via a secure chat. He is confirming his skype account is compromised. DO NOT DEAL WITH HIM ON SKYPE!!!

Regulus - October 4, 2016, 7:20 pm

Just wanna let everyone know I am back again. And i'm closing this thread for a while now.
My Skype: regulushf is still hacked so don't do any deals at all with me there.

Thank you so much everyone for reacting so fast and noticing it wasn't me immediately. Can't thank you guys enough.

Will do a big update tomorrow and try to explain more things. But how I got hacked is a mysterium.

I have my clues but nothing is 100% sure.

Regulus - November 18, 2016, 7:36 am

Re-opening this again to see how it works out.

From now on I will only do deals on-site.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Glad to hear!

[Regulus](#) is a great middle man to work with. I've had the opportunity to work with him on more than one occasion, and every time he has been very prompt with his responses, and has proven time and time again that he can be trusted when it comes to holding large payments during business transactions. I wouldn't hesitate to use his Middle Man services again in the future.

I ONLY DO DEALS ON-SITE!
SO IF YOU GET ADDED ON SKYPE IT IS NOT ME SO WATCH OUT FOR SCAMMERS THERE.
SAME GOES TO KIK AND OTHER SOCIAL PLATFORMS - IF YOU GET SCAMMED IT'S NOT MY FAULT.

ONLY ON-SITE!

WATCH OUT FOR IMPERSONATORS ON SKYPE AND OTHER SOCIAL PLATFORMS

- Note -

I'm not Online on HF 24/7 so sometimes you'll have to be patience.
And I'll get back to you as soon as possible :)

Hello there Hackforums!

So I've got quite a few PM's asking me to be middleman for some deals.
And this is something I enjoy doing simply because I hate scammers.

So I thought, I might as well open a free Middleman service instead for this to make sure no one gets scammed no more.

- READ THIS BEFORE SENDING ME A PM -
I'm ONLY holding the BTC under the deal and nothing else.
I will ONLY middleman deals with BTC.
I will ONLY be able to hold your BTC and not PayPal.
NO PayPal deals.

This is how the deal will be done

So for an example.
User #1 wants to sell a CS:GO Knife to User #2 who's buying it.

Step 1: User #2 send me the BTC
Step 2: User #1 send the knife to user #2
Step 3: Once user #2 confirms he has received it, I will send the BTC to user #1

Deals I can Middleman:
Amazon Gift Cards
CS:GO Knives
Social Media Accounts
-
And a lot more!

(But I won't hold any accounts - I will only hold BTC)

T.O.S
READ TO CONFIRM AND AGREE BEFORE CONTACTING ME
I can choose to decline middleman any deal.
No time wasters - I don't like them.
I will not be responsible at all after the deal is done whatsoever.
If something gets turbo'd during the deal - the seller will still receive his BTC
(Strongly advice you to not swap it for a while to avoid this happening)
I will not be a part of any scam reports - simply because I only was used as a middleman and nothing else.

hey how are you bro, are you still working as a middleman?
