Thread: [\[HOT SHARE\] Evolution Script Vulnerable](#)

DataDumper - February 18, 2016, 9:45 am

So i want share PTC Evolution script injection

Below i will post all i found, the sites are really high ranked.

I reported hole to every single web, none of the administrator was intrested, closed my ticket without response, enjoy.

Code <http://pastebin.com/CK0z0pjX>

What link include?

- Demo site vulnerable
- Exmaple good ranked website vulnerable to this sql injection
- Dorks that can be used to find targets

What u can do using this hole?

- Get admin password
- Login to admin page
- Request a bitcoin / paypal money payout

Exploit made by me (the file can be detected as virus at virustotal, if u dont want, just dont use it)
