This show is seriously hilarious. I know six episodes have already been released but the show is too funny not to have a discussion thread. I'm sure everyone will see that Aqua is by far the best girl.

Please, for the sake of people that have yet to watch it, use spoiler tags.

I mean, I've seen better. But it's definitely not the worst this season.

It's enjoyable. :)

First episode held my attention and after they introduced a lot of the other characters I dropped it.

ankitkhosya - February 18, 2016, 10:22 pm

I was wondering why there isn't a discussion thread for this one !

Among the new anime currently being aired , this one is the most funniest one.

Spoiler ([Click to View](#))Its surprised me that kazuma is quite useful and a smartass.

Yeh it's pretty okay, you should also keep up with Assassination Classroom.

I freakin love this show. If it weren't for Boku Dake this would probably be my favorite of the season.

illuminati? - March 2, 2016, 8:40 pm

Haven't seen it yet, but I'll give it a watch.

Neji - March 3, 2016, 2:11 pm

I love this anime, it's really funny.

Ang?I - March 16, 2016, 3:15 pm

Extremely disappointed that it's only 10 episodes long. Love this show, though. In a season eclipsed completely by Boku Dake, this is an amazing little gem. At least a second season has already been green-lit.

This was quite enjoyable, worth the watch.

Loved this show. When I started watching I thought it was gonna be more serious, and consequently I didn't enjoy the first few episodes as much as I ought to have. After episode 5, I realised it was just a comedy with an RPG setting. Can't wait for season 2

Aura - April 3, 2016, 6:34 pm

Currently on episode 7 and it's quite enjoyable. Not too serious, quite light-weight and also use of

real-life terms (NEETs, Otaku, etc.) makes it even more hilarious.

skelly76 - *April 3, 2016, 11:18 pm*

Guess it's going on my list, I took 5 seconds to laugh after reading the plot. You can die or just out of nowhere defeat a demon king lmfao that got me.
