These Islamic State Hackers aka ISIS hackers deface sites promoting there ISIS garbage/support.

EXAMPLE:

Quote:<http://rajasthancamelsafari.com/>

I found the vulnerabilities they used and ..well.

Here are the results.

(Feb 19, 2016 12:59 AM)Home Boi Squidward Wrote: [\[CITE\]](#) I always thought you where an little muslim.. Guess I'm wrong

People are so close minded on this site, a muslim is not more of a ISIS supporter than a white person is a KKK supporter.

And no I'm not muslim, or black for that matter in case you started wondering.

EmperorR! - February 19, 2016, 2:21 am

I am a muslim , and i do support ANTI-ISIS, and good job!

as you know so I guess you understand I have some love for Jimmy.
Stop changing usernames you sneaky bastard lol

pashabiceps - February 19, 2016, 8:37 am

Wow man, congrats, you're officially a script kiddie just like them. Props

citg0 - February 19, 2016, 8:38 am

The hell is wrong with people on HF lol.

Wireless Network - February 19, 2016, 2:31 pm

You have my support. Good job!!!

h?ck?r - February 19, 2016, 2:33 pm

Lmaoo <3 I love this mobile haha

jujuger - February 19, 2016, 2:37 pm

Awesome! Lmfao

mObille, I remember you gave me a short tutorial on Hacking websites.
You think you can expand on what you taught me?
Maybe more lessons?

xx 0x0 xx - February 19, 2016, 10:30 pm

nice work brother :) support you " im still not terrorist " :D

bybit - February 20, 2016, 7:46 am

script kiddies ever i've seen

Intriguer - February 20, 2016, 10:51 am

LoL, nice work bro hahaha xD keep it up.
