Thread: [\[SPECIALISTS \] Earn \\$5000 a day free method - \[Easy\]](#)

Feanor - February 19, 2016, 3:45 pm

Id' first like to start off by saying that a lot of methods on here are a waste of time or very subjective and 99% of the ebooks are just scams or easily get over saturated, this is not one of those methods.

Guaranteed cash income !! \$1000 a day easy.

!Warning! this is a blackhat method {however all parties go away happy}

so what is the method?

Spoiler [\(Click to View\)](#)

Let me ask you, have you ever herd of bull cow breeding?

It's a very profitable business to be in.

<http://www.semenstore.co.uk/>

Some bull semen from prize winning bulls can go for \$1000's

Ok, so what exactly is your idea, bro?

ok so here it is;

It will be your job to find bull farms in your local area,

please the bulls to get thier semen

sell the semen on the darknet,

and then live the life ??

So here is the plan

Step 1)

Find a farm in your local area, I will leave this step up to your discretion. Remember it pays to do your research well because prize winning bull semen goes for \$1000's

Step 2)

When the farmer[s] are not looking or are away then you'll need to sneak in and perform the following procedure.

[Video: <https://www.youtube.com/watch?v=HWS-61ZI8g4>]

Remember: The longer the toilet role tube the more semen you will get..

Step 3)

Again; this step is totally up to your discretion, I don't want to violate HF terms here.

Step 4)

Spend cash

Well done you've earned it. ?

Jukebox - February 19, 2016, 3:48 pm

TheSocomj - February 19, 2016, 4:59 pm

Would giving the bull a blow job speed up the process?

King Wizard™ - February 19, 2016, 9:47 pm

Vouch i've done this it works. You cant say it won't, completely blackhat though.

Mr. Good Guy - February 20, 2016, 5:35 am

This is actually pretty legit, can this saturate?

Feanor - February 20, 2016, 10:17 am

(Feb 20, 2016 06:35 AM)Mr. Good Guy Wrote: [\[CITE\]](#) This is actually pretty legit, can this saturate? To e fair the main breeds will start to saturate with sperm so you'll have to do your research and find the prize winning bulls.

not just any farm with cows; the farm needs to have bull cows (which is the male cow). It is up to you how you sell the semen. I suggest the drknet but you could also sell at the market, ebay (I don't recommend this) or even to your friends.

You should probably PM Sonex in regards to avenues for selling the semen, I'm sure he'd be happy

to help.
