Thread: [\[\\$400\] :: 250+/DAY LEARN FROM THE BEST 100% WHITEHAT :: \[\\$400\]](#)

+Nemesis - February 20, 2016, 10:01 am

Money back gaurantee if you don't make the amount that you paid in 3 days!

Hello, I am not going to fuss with a fancy thread design as I plan on limiting copies. This method is not saturated and has been discovered by myself. It can be done worldwide as well. Learn how I make \$250/day, this is not some eBook method that will leave you on your own. No. I will be mentoring you along the way teaching you the ropes.

This does not include the following:Saturated eBook methods

eWhoring

CPA

Any BHA or carding

No refunding

PM me if you would like to discuss anything about the method within bounds. As well as payment proof.....Thanks!

I guarantee you will make your money back within 1 week, most likely sooner though. ?

Payment (\$400) will be in BTC or PayPal, preferably BTC.

And sorry no vouch copies as limited copies mean that I am hesitating to even sell it this method. ?

I've known +Nemesis for a while now, he has had some great shares. I'm sure this method will get you earning in no time. Waiting on another payment, then will jump in on this. Any discounts for a review copy?

Do you earn the money on PP or BTC?

Also, has this got anything to do with "cost per ____" or "pay per ____" campaigns?

Anything to do with reselling?
