Thread: [Who's HF profile would you like to have?](#)

Tando - February 20, 2016, 1:40 pm

I don't think this has been asked before, I'm curious. Maybe a user has all the awards you want, or the rep you want, or the name you want. Who is it?

Griev?us - February 20, 2016, 1:40 pm

I want 'Snorlax's before he was banned w/ all those awards.

minimalist - February 20, 2016, 1:41 pm

Anybody with the [Asswipe](#) award is a member that I envy. I really want that award.

Frenzied - February 20, 2016, 1:41 pm

Omni? Like srs LOL

It would be ban md5 the first thing I'd do :D

BaiN - February 20, 2016, 1:41 pm

Anything that is above me in upgrade lol. Poor af.

Tando - February 20, 2016, 1:42 pm

Honestly I'd like anybody's profile with the Alien award. ?

I remember being good friends with him actually, what did he get banned for?

Stashyy - February 20, 2016, 1:44 pm

I would have to say anybody with this award:

Kinda wish Omni would let him back in, but I guess that's not really the case.

Right now he is just focused on running his own forum, instead of HF.

Straight away I'd say Omni, but if I got his account then the forum probably would stop running as effectively and everything would go to shit.

But I think it would be awesome to have -Nyx's account xD

All that rep would make you stand out.

I'm quite happy with my own to be fair, whenever I have an account that isn't mine I feel very.. out of place and weird.

I'd rather my own account with 0 posts and 0 rep than an account with say 500 posts and 500 rep because it would just feel weird having someone elses.
