What is your favorite show ever or currently? What's the best show you've watched?

My favorite show would be SuperNatural & Currently The 100.
What about you?

I myself like breaking bad, I dislike the fact that Heisenberg dies and the show just ends.
Although the spin off for the show "Better Call Saul" isn't half bad.

Spartacus or game of thrones for a number 1 spot
then Vikings.

Favorite show i'm currently watching (and the only show i'm currently watching) is Gotham.
Besides that i've only watched Breaking Bad and Better Call Saul.

I am currently watching Flash and The Walking Dead.

Waziti - February 23, 2016, 4:40 pm

My favorite show was probably Breaking Bad. The Walking Dead is up there as well for me, same with Prison Break. Better Call Saul is pretty good as well but they are only in season 2.

ChaoticSystem - February 23, 2016, 4:43 pm

Mr. Robot although it isn't time for season 2 yet this show was extremely good.

Wolverine - February 24, 2016, 8:58 am

Favorite show is Prison Break but best show currently watching is The 100, started 4 days ago and just started season 3.
