Lifestyle - February 22, 2016, 4:25 pm

So pretty much, I'm in junior high, and I will walk up and say whatever the fuck you want to any social group at my school.

Heres my article on fiver

-

Hello, My name is Mac (age 14) and I am in 8th grade in Arkansas. Pretty much, what I will do in this gig is walk up to a group of kids and say just about anything you can come up with, and record it!

I am very well known at my school and I'm not afraid to say anything!

You get to choose the group!

List of groups _____

Nerdy

Gothic

Weird

Popular guys

Popular Girls

Rednecks

Religious kids

Fighters

Im charging \$5 for everyone 15 words, but I will say almost anything (besides threatening to shoot/blow up the school)

Pm me if you have questions

I'll pay you \$100 to walk up to the resource officer and say

Code What the fuck did you just fucking say about me, you little bitch? I'll have you know I graduated top of my class in the Navy Seals, and I've been involved in numerous secret raids on Al-Quaeda, and I have over 300 confirmed kills. I am trained in gorilla warfare and I'm the top sniper in the entire US armed forces. You are nothing to me but just another target. I will wipe you the fuck out with precision the likes of which has never been seen before on this Earth, mark my fucking words. You think you can get away with saying that shit to me over the Internet? Think again, fucker. As we speak I am contacting my secret network of spies across the USA and your IP is being traced right now so you better prepare for the storm, maggot. The storm that wipes out the pathetic little thing you call your life. You're fucking dead, kid. I can be anywhere, anytime, and I can kill you in over seven hundred ways, and that's just with my bare hands. Not only am I extensively trained in unarmed combat, but I have access to the entire arsenal of the United States Marine Corps and I will use it to its full extent to wipe your miserable ass off the face of the continent, you little shit. If only you could have known what unholy retribution your little "clever" comment was about to bring down upon you, maybe you would have held your fucking tongue. But you couldn't, you didn't, and now you're paying the price, you goddamn idiot. I will shit fury all over you and you will drown in it. You're fucking dead, kiddo.
