Thread: [UnTouched PRIV8 SQLI Dorks](#)

Intriguer - February 23, 2016, 12:31 pm

Hey guys, im giving out few of my OP dorks that i scanned with my Dork Scanner script.

Code <http://pastebin.com/HgGMpqXv>
Enjoy HF :)

snap7 - February 23, 2016, 1:39 pm

yoooo mate nice thx i need this few new dorks ! thx !

adiko93 - February 23, 2016, 3:05 pm

What dork scanner script r u using?:)

thedirtybook - February 23, 2016, 3:09 pm

Thanks dawgie, will be using these soon.

my own. coded in c#

Niko - February 23, 2016, 7:18 pm

Thanks for the list.

Going to check it out later.

aSmoo - February 23, 2016, 7:22 pm

Gonna check these out, thanks a lot man!

ghostfacee - March 6, 2016, 2:12 pm

I'm gonna use these thanks man! :)

LaughingGas - March 6, 2016, 9:55 pm

Gonna give these a shot when I have the time, thanks OP.

FearNot - March 17, 2016, 6:02 am

Thanks op. I'm looking at making an automated scraper/inject tool using python so this will come in handy.

Struggler - March 17, 2016, 4:46 pm

im really noob guys so my question how people make new dorks is it manually or there are tools,scripts do it?i mean finding dorks not inject a vulnerable sites with SQL
