Not sure why it ain't working for you. Works fine for me. Did you change your IP with Tor?

jaden1 - February 26, 2016, 11:35 pm

"Maximum allowed registrations reached"

I have also changed the tor circuit and new identity many times, still not allowing any more registrations.

This actually works. I started an hour ago and already got to level associate. Not doing anymore and just waiting for the cash to flow. Keep in mind, you have to wait a while before you can withdraw your profits.
