Thread: [Won big on pokies last night so I bought this today with my winnings](#)

Innocent Vigilante - February 24, 2016, 8:26 pm

I went to the casino last night and put 5 dollars in and just did 60 cent bets and got a feature for 20 free spins and on the first free spin i landed another 20 free spins Imfao the luck is real. I took a photo at the 30th spin which got up to a bit over 70 dollars or so and at the end of the 40 free spins I had well over 100 dollars and at the end of the game I pulled out with over 200 dollars.

Here's a pic of the game

Spoiler ([Click to View](#))

And this is what I bought today Imfao, Cos why not.

Spoiler ([Click to View](#)) A Cockatoo ?

PurpleIsAColor - February 24, 2016, 8:27 pm

Not bad.

But why the fuck did you buy a bird.

I would've just spent it on weed, snacks and soda like any other normal human being.

THE NORTH FACE - February 24, 2016, 8:28 pm

Forget the winnings...That bird is where its at?

OT: very nice earnings op, that's some real luck!

But oh well.

I would never buy a bird, not really my type of animal. I would rather buy a dog, but \$100 is not enough for one.

Skaw - February 24, 2016, 8:31 pm

Nice winnings, And spent wisely.
I like the photo btw. (x

Too much responsibility.

I smoke too much weed, and isn't able to take care of anybody else than myself.

I'm barely able to take care of myself.

When I played the game you see on thread right behind me was this old lady I would say about late 60's early 70's and I watched her sit her handbag on her lap, pull out her purse and I would say easily about 4 grand or so of notes she pulled out and put 400 dollars of it into the machine... I watched her go down and up so many times to the point where she eventually couldn't take it anymore and cashed out 200, so she lost 200... Just so dumb.
