I can't stand this guy anymore ? ?

TopKekeroni - February 25, 2016, 9:04 am

He is not a true weeaboo if he has a 3D gf instead of a 2D one. ?

I love this guy, especialy his video called "When people take anime too far" lol.

Since when do black people watch anime?

This is like a whole new experience.

Are you dumb? I hope this is a troll.

Definitely in my list of "Users who have no idea what they are saying".

That's a generalisation and there's no possible way that you think black are the weebiest XD.

The internet and HF itself is full of white weaboos .

???????

JSTN - February 26, 2016, 7:50 pm

Why only Naruto references..?

I'm not the one who made that video.

And naruto is one of the most popular anime.

He wasn't going to include Clannad or shit like that.
