I have only question. Is this pay to bid?

EvanC - February 25, 2016, 10:27 am

Yes, that is how most penny bidding sites work.

I however will show you how to get items under \$10 with the bid payment

Internet Bully - February 25, 2016, 10:51 am

The proof is from 2013, do you have anything more recent? Feel free to Pm me, might be interested in buying

SIM-2223238 - February 25, 2016, 10:57 am

This ebook is literally a copy paste, or is it even a copypaste?

BTCEXchangez - February 25, 2016, 10:59 am

I feel like I already saw a similar thread to this few months back.

I'm working on it, I ran out of money for the bid packs.

And it will be 2016 proof BTW

Ordium - February 26, 2016, 2:08 pm

Why not just provide a service for this instead?

I could for a percentage after you win, PM me for more information

Hummel - February 26, 2016, 5:08 pm

If you win some stuff on the site, then sell it for a little more on here?

I'd happily purchase some stuff from you if you decided to take that route! I'm in need of some new things! :D

well, 2015 is much better than the old 2013 proof you posted, also i've seen this posted multiple times with the same shitty items as proof

Abel Tesfaye - February 26, 2016, 8:52 pm

good luck with sales man. I remember seeing ads on this and always wanting to join this when I was younger

Would purchase, after i see some proof from 2016. You are trashing your own sales by not posting proof.

Why don't you add some more pictures, and use this more often?

You could get lot's of sales, if you had lots of things coming in from them.
