These are a pretty old, but still made by me, and so were the tags but I'll be making updated ones. If you have a .PSD of a tag that you would like to learn how to make, simply send me a PM and I'll make a tutorial of it! I'm also going to be making tutorials on most of my newer tags that I come out with, stay tuned!

Erwin Schrödinger - February 28, 2016, 2:12 am

These are great tutorials for anyone just starting out!

Nice work. :^)

These are awesome! Thanks for this awesome contribution.
Do you have a shop as well? Of your specific work in which you may offer as a service, etc?
Let me know via PM. You are outstanding.

Yes it looks a lot better! Good job!

LancelotGFX - April 6, 2016, 4:18 am

Can I get the render link maybe?

Sadly I made this tutorial years ago, or I would link you.

I'll provide all resources from now on in my tutorials, totally forgot!

ussef.rekkas - April 13, 2016, 5:10 am

Thank you so much for this tutorial
