Damn good luck with that, do you have a word limit/amount of words you want. What is the grade that you are in/academic standard it should be done to. Cheers. Will you be paying before or after the work and using a middle man?

Jebati_Temp - February 28, 2016, 2:22 pm

I want it to be done in MLA formatting and I will be paying after it is done and it should be pretty easy because im in 8th grade lol. And there is no limit on words

Jebati_Temp - February 28, 2016, 2:24 pm

This is still available message me on skype if you want to do this

my skype is ello_its_zanda

Still available message me on skype.

GoldenStateWarriors - February 28, 2016, 6:13 pm

Pm me more info about this i mite be able to do it
