Haha everyone is saying it looks like that, I agree though. It isn't based off Pokemon though.

Definitely one of the nicest looking groups the community's seen in a while.

Urging myself to apply. Looks great. Best of luck.

I really like the groups graphics.
Goodluck with the group @Krave.

7 - March 2, 2016, 10:46 pm

I really like this groups graphics but I would change the animation of the large graphic. Instead of left to right animation (which is quite obvious) I would make the center red part glow in a pulsing fashion and then burst and spread over the wings. This is just my vision, its probably just me

?Enlightened - March 2, 2016, 11:21 pm

Love the graphics. Just applied into the group and hope to join the great community within it!

It doesn't matter if you're in the negatives. Apply for the general recruitment currently up and you can check out the Gambling SF too.

I would but I don't meet all of the requirements. I've been here since 2012 and I barely made any threads. I appreciate the go ahead on the application though. ?
