Thread: [Why i cant sell my steam gifts](#)

striker - February 29, 2016, 1:08 am

I bought steam csgo gifts on summer sale and now i want to sell on hf and one staff told me its not allowed i mean why its not allowed they r not stolen, people sell steam cracked and hacked accounts they allowed but gifts not allow i dont understand i mean has to be fair not unfair one hand u guys allowing cracked account and 2nd hand if people want to sell legit gift and they are not allowed wow

Steam Gifts

We don't allow selling of Steam games as keys or gifts. You may only sell Steam accounts in the Non-Free Accounts forum in the Marketplace.

We cannot make sure if you've bought the gift or not nor do we want to. (We = site)
