Where do you live? The mountains in Kandahar? Lol.

But in all seriousness, there are no "menial" type jobs anywhere in your town? I.e. no service related industries like food, retail etc?

hello,

how much money did you make with e-whoring?

try CPA it will probably work if you will put some time in and mayby you can invest a bit from the money that you made with e-whoring.

Reselling things looks like the most profitable long term business.

Also stocks or trading altcoins.
