Hello, I am Scriptie and I have been having fun running through and figuring things out for myself, I have recently gotten into MyBB and it has been really fun to say I just love it, I have been able to create my own themes, and otherwise. An now I want to share it with you.

Contents

1. Private Lesson's on creating a website
2. Custom Themes can be created.
3. Domain Names and Hosting is free! (Great Company's recommended by myself)
4. Installation & Setup can be done by myself.
5. I will make sure all requirements are met for whatever satisfy's your needs.

Note: I will be following up on everything, I don't have current portfolios on work I can do, but It is literally just as good as HackForums, (I am not a opposition, this is just offering a service), Everything is created and hand made. I will go through everything with you personally!

Rules

1. If you are not satisfied, I will try my best. Give me patience.
2. Refund's will be dealt with at an agreement of 50/50.
3. I will not tolerate you copying my work and reproducing it.
4. I want to make sure every customer is satisfied.
5. I am a human, I cannot be some next generation 1337 Haxor.
6. I will always have a deadline, never pressure me.
7. Every payment will be dealt with Bitcoin until further notice.
8. I do not appreciate people trying to modify or have an opposition with me, just stop.
9. I hope I can satisfy your needs, if I am unable we will find a way together.
10. If I am not available, it's obvious I am busy, don't pressure me.

Op knows his stuff. He's given me good technical and creative advice in the past so I can vouch for his knowledge. He has a good eye for design and doesn't treat you like an idiot.

Hello,

Weill, as I started up this thread a few days ago, I managed to gain one customer within the time being of around 30 mins, and I have built literally 60% of the forum within around 6 hours, I just need

to finalize, I will be waiting for the guys response on here, he is amazing. I will contact you on Wednesday when everything is finalized. I will see what we can do together. Many thanks.

- Send me your Skype.
