Looking good! What do you do to make that money? I know it's from Ebay sales, but is it Ebay dropshipping, do you run your own custom made clothes or what is it ?

Recess - March 2, 2016, 8:03 am

and what exactly is your use for 8 laptops and 3 desktops? where do you even put all of those computers?

Sellings lots of things .I currently own 5 ebay accounts for selling due to selling limit of each accounts ,i make from ebay total approx 50k \$. a year .

I used to sell cloths + laptops + gaming stuff and many more.
included blackhat stuff item t2.

It's probably going to look disgusting. ? 8 laptops and 3 desktops? Why..

Congratulations on your earnings though, it's always nice to see others do well with their business.
