i just want to ask you if this is a scam or its only fooling me around?

I saw his reputation, posts, and all that. Though he is really fair and i went first(and before that i paid him for his mentoring wich i got shit from, he got some tricks from me, and this how he return.)

Pretty sure this is a legit report, although I see you potentially being reimbursed.

Hopefully this gets resolved.

...but it's fault.

Vouch for this, 100% valid report which will hopefully get resolved soon.

Wow. Seems like a legit report. Hopefully something gets done about this.
Definitely needs a bump and needs to be recognized.

p.s include the uid in the title!
