Thread: [\\$75 Giveaway | BTC \[All Members\]](#)

? Social Panel - March 3, 2016, 1:55 am

I'm hosting a \$75 giveaway! Everyone can enter, and it is fairly easy to enter.

All you have to do is sign up at the link below (make sure you activate your account), and I will be picking a random winner on the 1st of April.

The winner will be picked with random.org. The number that it spits out, will determine the winner, based on your post number in this thread.

Link: <http://www.3point5.com/invite/LarsB1>

If there are not 50 valid entries by the 1st of April, I can choose to delay the end of the contest and/or cancel it.

Valid entries: 32/50

Raaz - March 3, 2016, 2:00 am

Does this require mobile or credit card by any chance ?

td512 - March 3, 2016, 2:02 am

Done :) Hoping I win, but I know chances will most likely be slim.

Question. Why 1 April?

(Mar 3, 2016 03:00 AM)Raaz Wrote: [\[CITE\]](#) Does this require mobile or credit card by any chance ?
Nope. it doesn't. it just asks about your workplace, mine is a public company who a lot work for, so I have no problem in sharing that, although I did use a burner email

Raaz - March 3, 2016, 2:26 am

Anyway man registered as james hopkins
hope this helps.
