Thread: [\[Gift Card\]\\$100 Soul Cycle Gift Card | %50 Off | Womens/Mens ActiveWear Clothes \[BTC\]](#)

Well, there is some halfway decent stuff on here. Not sure about acceptable shipping locations but I just happened to come across this \$100 GC for their shop. Please PM me if you're interested, wish to purchase, or have any questions.

To be honest, I really have no use for ActiveWear since I never leave the house.

Only acceptable payment option is Bitcoins. Prices @ %50 Off is \$50 in case you're really bad at math.

Kindest Regards,

Codevade

There isn't actually a huge selection here, unless you're shopping for a female.
