Thread: [\[HELP\] None of the VPN's I Bought Portforward \[Providing a Reward\]](#)

Frenzied - March 5, 2016, 2:02 pm

I'll be giving a reward (PM me) for anyone that manages to help me. I've literally bought RA4W VPN after I bought HorusVPN because Horus didn't portforward, now I come to realise that RA4W won't open my desired port aswell? I really dont understand and I'm so pissed.
