Notice to those who continue to contact me offsite:

I appreciate ALL of you for choosing me as your middleman, it's been an absolute pleasure all these years. However..PLEASE initially contact me on HF ONLY! Either HF PM's or HF Convo's, each are fine. This is to verify exactly who you are and who the other user involved is.

Side note; I stopped MM'ing on Skype years ago, so if you felt that you were ignored please just know that I don't check Skype for business anymore. Also as for Kik, I rarely respond to HF MM requests via Kik.

Thank you for taking the time to read this as HF is always the first and foremost place you should contact me regarding a MM inquiry.

With love as always,
Cooligan ?

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Next time please check Market Profiles before posting brother. Why does the person hiring the MM not intitiate a separate contract from the original deal specifically for the escrow. Buyers, sellers, and escrows have scammed. In my opinion there should be a individual contract for the escrow service.

Because the MM is already included in the actual deals Contract history:
