You are allowed up to 5 entries from the first post in the thread, when I do the drawing all posts except for mine are considered valid. If you post more than 5 times you will be disqualified for trying to gain an unfair advantage. If you want to check how many entries you have you can click on the post count and it will show you how many posts each person has.

Today I was admitted to the hospital with pneumonia and possibly pleurisy, I will not be able to do the upgrades for an undetermined amount of time. Probably about a week so on 8 April I will be upgrading 3 members to cover the 2 upgrades I won't be able to make in the hospital. In the mean time though, feel free to continue entering and don't miss your chance at a free upgrade.

Nakamoto. - April 9, 2016, 9:00 am

Sorry for missing the past couple of weeks, I was in the hospital followed by my mother now being there. Good news is she does get out of ICU today so there's that. I have upgraded three members to cover the past two weeks as well, let's congratulate [Vobe](#), [xRapid](#), and [LulzLegion](#) on winning the

latest three upgrades.

Sadly though I will be closing this for the coming weeks, I have some stuff I have to take care of right now. Rest assured though it will open back up soon.
