Thread: [Minecraft accounts FULL ACCESS, PREMIUM WITH EMAIL](#)

Mackos - March 8, 2016, 5:57 am

Hey guyz.

I'm selling unmigrated minecraft accounts with email so they can be migrated and password can be changed (as email required now).

Price: 2.5\$/acc

Payment: BTC/Paypal

PM me for my skype or for purchase.

Thank you

No, pretty sure this is insanely pricey compared to other shops.

Yeah, thought I've seen them way lower, but don't think those gave email control. Not sure though.

The cheap alts wouldn't come with email control as they're just cracked MC accounts.

This is coming with email control, account can migratable and also for password change you need the original email.
