Thread: [\[2016\] What's Your Favorite Alcoholic drink?](#)

Vitani - March 8, 2016, 10:23 am

Spoiler ([Click to View](#)) About 2 years ago i made a thread with the same question. Since then my taste in booze has changed quite a lot.

I am wondering if the same happened to you guys?

so HF, what is YOUR favorite alcoholic drink?

My favorite booze are Jack Daniels and Smirnoff. Aside from that, i can (still) always enjoy a nice cold beer.

What is your favorite alcoholic drink and why?

You happy now Abducted? :x
