Thread: [Super Chillin account usage](#)

Peeka - March 8, 2016, 2:09 pm

Giving away 1 free spot to use my super chillin account.

I always keep the account at premium status. I will rotate winners monthly. I will only allow a certain amount of people on the account at once to prevent it from being closed.

If you win you must abide by the following:

1. You will not change the password.
2. You will not change the video player type
3. If you change streaming zone, you must change it back.
4. No sharing the account (I will change the password if this happens).
5. If referrals come available on the account you are not to use them.

To enter, just reply to the thread with the message "Count me in". Do not post "Count me in" more than once. I will check to make sure.

I will draw a winner monthly on the 15th of every month. You will have access to the account for one month.

Enjoy!

If you have any active scam reports against you, you may not enter.

Round 1 Winner:

I will be redrawing a user due to the winner not being able to set the cookie.

It typically will release a tv show on the site the same day it comes out. No Ads or anything. HD

Sorry.

Sharing included? Also I see that rule in the giveaways but I don't see it in the contests.

I don't know about sharing but I'm assuming it would fall into the same category.

Anyways, good luck hosting this my apologies.

That applies to giving them away, there is nothing against sharing them.
