You can get a free microSD card that comes with Gear VR content, art, and Samsung exclusives when you register your Samsung account on your S7/S7E. Upon adding your Samsung account to your device you will receive an email with a 30% off code for accessories on Samsung.com (<\$59.99) and below that will be a link to claim your SD card.

IF YOU HAVE ALREADY REGISTERED A SAMSUNG ACCOUNT YOU CAN STILL GET THE SD CARD

You need to remove your Samsung account from your device (note that this will remove all your cards from Samsung Pay) and then add a different account and click the email for that account. You can then remove your new account and go back to the old if you wish.

Terms:

Quote:Offer valid, while supplies last, through 5/11/16. Open to legal residents of the 50 US & DC, 18 or older who purchase and register an eligible Samsung Galaxy S7 or Galaxy S7 Edge device during the Offer Period. Void where prohibited

Do not just visit the mysamsungsdcard site directly to claim your card, you need to click the link found in your email.

No. Once you add your Samsung account to your S7/S7E device you will receive an email soon after. In the email there will be a code for your 30% off and then a button below that you will have to click to claim your SD card.

Code Womp. Just missed it. Looks like we're fresh out of microSD™ cards. But there's lots to learn about your new device over at [Samsung.com](https://www.samsung.com).

Whelp, that was quick. Probably cause it was all over reddit and slickdeals the second the promo started.
